2025-08-30 Meeting Agenda

📅 Date

30 Aug 2025

👥 Participants

- RAIL PG-2 project team

🥅 Goals

- Discuss the division of tasks under the new user story.

- Review team decisions on the Sprint 1 repository report.

- Edit and finalize the current week's snapshot.

🗣 Discussion topics

1. **New user story task allocation**
   o Assign responsibilities for each sub-task.

   o Ensure clarity on ownership and deadlines.
2. **Sprint 1 repository report**
   o Review team decisions made so far.

   o Identify any points that need further discussion or alignment.
3. **Current week's snapshot editing**
   o Review progress updates.

   o Make necessary edits to reflect accurate status.
